1. Larry Dale Perry made a motion to approve a quote from Vogelpohl Fire to purchase 2 SCBA regulators and accessories for the fire department. Joyce New seconded the motion. A brief discussion was held on where the funds to make the purchase came from. City Clerk, Sherry Hamilton reported to council that she had met with Chief Estes and Assistant Chief James. They reviewed their budget for the 2024 year and felt they could afford to purchase two complete units without taking a loan or cashing in a CD. They are applying for a grant to purchase 8 sets but felt like they could operate with the two new ones until the grant could be processed. Fire Chief Greg Estes reported to the council that he had spoken to the Monterey Fire Department, and they were going to allow the city to borrow two of their new units so the department could have 4 new sets until the grant was approved.

Motion Carried.
